

## Comeau Aerospace Inc.

### **Techno-Infrastructure\_E**

CAI-900 Aero Industrial Buildings & Hangars (Projects Portfolio)

CAI-901 Infrastructure, buildings, R & D, production :

CAI-902 Altitude Test Facility, ATF :

CAI-903 Wind Tunnel Facilities :

CAI-904 Hydrodynamic & submarine Facilities :

CAI-905 Space Launch & Travel :

CAI-906 Advanced Technology Materials & Manufacturing :

CAI-907 General Technology Materials & Manufacturing :

CAI-908 Foundry, Machinery, Tools, Tooling, jigs :

CAI-909 5M-Mining, Minerals, Metal, Materials, Matrix :

CAI-910 C5, Software+, Multi-physics, CFD, FEA :

CAI-911 Personnel Development & Optimisation :

CAI-912 Education, Training & Skills Development :

CAI-913 Information Technology IT :

CAI-914 Aeronautical and Aerospace Resources :

CAI-915 Intellectual Property IP, Licensing, Patents :

CAI-916 Communication & Navigation Projects :

CAI-917 Satellite Projects : Projets Satellite :

CAI-918 Terrestrial & Marine Projects :

CAI-919 Archeo-astronomy, architecture, language & glyphs :

CAI-920 Observatory & Space Civilisation Research :

CAI-921 Creative Imagination, Mission design engineering :

CAI-922 Entertainment, prototypes, physical and digital rendition :

CAI-923 Human Potential Optimisation (HBMSS) :

CAI-924 Space Projects :

CAI-925 Space Environment & Space Travel Technology :

CAI-926 Music, Vibration, Energy & Gravity Field Projects :

CAI-927 Wave & Particle Physics & Engineering Anomalies Research:

CAI-928 Energy Technology & Multi-dimensional research :

CAI-929 Electro-Optical, Acoustic, Detection & StealthTechnology :

CAI-930 Investment & Acquisition, joint ventures, co-development :

CAI-931 ACP Advanced Conventional Propulsion :

CAI-932 AVP Advanced Vehicle Propulsion :

CAI-933 Defence Technology R & D :

CAI-934 Augment, Auxiliary & Counter-measures :

CAI-935 ESP, AT & ATT :
