Ultimate Flying Machine - Design Engineering Projects

CAI-705-200-SN Super Navigator

An exciting line of amphibious aircraft for the adventurous flyer!

● high mono-wing conventional design with amphibious hull with wing floats
● State of the art for engineered strength, light weight and aero design
● Excellent low and high speed flight characteristics
● The ultimate in safety, flight control, performance and utility features
● Reliable, rugged, spacious and comfortable
● Electric, hydraulic and manual controls and retractable landing gear
● A very smooth quiet ride with little turbulent effects
● Enhanced performance, economy, value and style
● High lift aerodynamic design enables greater useful load with performance to spare.
● wing area and wing span for faster, higher, stronger, lower stall speed and more efficient
● Options: NTPI-Affinity 6000 shp turboprop: CR-8-SP massive 8 contra-rotating super-props

CAI-705-200-SN Super Navigator

● Engines: 6 - Pratt & Whitney PW150 5,000 shp & Dowty R391 composite 6 blade props
● Range: 3,500 nautical miles ● Climb Rate: 4,000 ft/min ● Service Ceiling: 30,000'
● Empty Weight: 100,000 lbs ● Useful Load: 45,000 lbs ● Fuel Load: 75,000 lbs
● Design take off weight: 220,000 lbs ● Max take off weight: 240,000 lbs
● Cruise speed: 320 kts ● Max speed: 385 kts ● stall: 95 kts
● Length: 140' ● Wingspan: 200' ● Height: 38'-5" ● Wing area: 3,700 sq.ft.
● Cargo : 18' wide ● 12'6" high ● 60' long, ● with ramp 75' long ● 20' wide exterior;

● 120 passenger and luggage; general commercial transport
● freight or strategic tactical transport, custom mission deployment;
● water bomber and water supply ● aerial, marine and land fuel logistics
● built in hover/landing craft, all weather ship to shore logistics
● strategic reconnaissance, search and rescue
● Battlegroup 301 Civil Defence Network & Defence Mobilization Plan

Jetstream Vision

● Est. Price: $170 million
● Production Vision: initial 4+ aircraft; 20+ aircraft within 10 years
● Job Creation Vision: 2,000 long term jobs, high value added
● Investment & Acquisition Vision: capital structure and aircraft options;
● Pilot Vision: In the big league...extremely versatile, capable, dedicated deployment logistics.
